Dear Mr Murray

***Conditional Approval for MPhil Degree***

I am glad to be able to tell you that at their meeting today the Degree Committee has agreed to approve you for the MPhil Degree subject to you undertaking corrections.

The Committee noted that your Examiners had drawn attention to certain corrections required, and they agreed not to finally approve you for the MPhil Degree until you had corrected your thesis. You should submit your corrected work to the Internal Examiner within **one month** of the date of this letter.

I also enclose a copy of your Examiners' reports, which include the corrections you need to attend to. Please see: <http://www.dpcp.physsci.cam.ac.uk/graduatestudents/mphilthesis/mphilpostoral> for information on the procedures relating to them. Your Examiners' reports have also been copied to your Supervisor.

If you are in any doubt as to what is required, would you please let me know.

Once the Committee is satisfied that this condition has been met, I will write to you again.

Yours sincerely

Marie Dixon  
Secretary
